

Medicine Lodge Commercial Business Façade Improvement Program

Façade definition – the face of a building, especially the principal front that looks onto a street or open space.

Improvements matched up to \$1,000 per business (\$2,000 project, BCD will reimburse \$1,000).

For private businesses located within Medicine Lodge city limits.

New or existing private business (if new must be operating within 6 months).

- Retail sales locations or business with regular foot traffic
- Façade improvements or repairs
- New or replacement signage
- Decorative additions to beautify must be approved in advance

Planned improvements must be approved by Barber County Development (BCD).

Submit a brief description of the planned improvements to BCD at jr@barbercountydevelopment.com with detailed plans/drawings if deemed necessary.

After completion of improvements submit invoices with proof of payment to be reimbursed by BCD within 30 days.

Total pool of funds available for the program is \$20,000.00.
